and the
\$10,000 Pitch Competition

Dear Business Leader,

As a Proven Professional in your Industry,

You are Cordially Invited to Facilitate or Present one of the "Critical Business Component Segments" Offered during the new Carolina B2b Business Networking Sessions.

Sharing your expertise, your experiences and your products will measurably enhance the group of fifty business owners, increase your customer-base and increase the economic value of our local community and families.

The fifty small businesses and nonprofits in attendance will provide you with an effective opportunity to discuss and showcase your products while you educate and build relationships with the owners and their specific needs.

The primary purpose of the business networking sessions is to make all resources available to all local small businesses and nonprofits in one central location and on one central communication's platform.

Details on the specifics of the event and your presentation is included in this communique.

Thank you for all that you do in the community.

For questions and confirmations please do not Hesitate to contact Tammy Patterson.

Looking forward to working with you.

Tammy Patterson
